Certificate of Origin

Product Name:	Affinity Purified Antibodies to ###
Product Application:	For R & D purposes only
Product Code:	####
Manufacturer:	Ab Biotechnology Limited
Country of Manufacture:	United Kingdom

Starting materials, critical raw materials and the final product primary packaging associated with the manufacture of the above product have undergone a TSE evaluation as per Ab Biotechnology internal procedures.

TSE risk category is assigned based on the following factors: species, tissue infectivity distribution and GBR classification (geographical BSE risk).

Material	Animal Derived Component (Yes/No)	TSE Risk Category
Serum	Yes	Low
Antigen	#	#
Glycine	No	N/A
Hydrochloric Acid	No	N/A
Sodium Hydroxide	No	N/A
Water	No	N/A
Cryotube	No	N/A

Based on the above the overall TSE risk of Affinity Purified Antibodies to ###, Product Code ###, is ##
